(Check off 20-25 topics you wish to discuss, but do not write anything else on this sheet. You don't have to go specifically in this order)

- Your name
- Your "occupation"
- Your family – names, relative ages (who's how much older / younger), birthdays, occupations, pets, who looks like whom
- Your past – born and raised, school (big, small, private, public, good, bad)
- Where various grandparents were born
- Your hobbies – what you like to do
- What your parents wanted you to do – but you didn't want to
- What you would like to parents to do
- Your travels – where you have been, where you would like to go
- What kind of weather you (dis)like
- Where you would (not) like to live, why
- What you are (dis)satisfied with at Princeton
- Music, books, films you like
- Food – what you usually eat, what kind of cuisine you (dis)like
- Describe your dorm room, what's where
- Whom you envy / sympathize with, why
- What you want to become
- Something you hid from your parents (You will probably need to use **то, что** *the fact that*.)
- What sports / musical instruments you play
- What you sometimes worry about
- What you often go to the store for
- What time you usually get up / go to bed
- What you did this morning after getting up (Please tell us you took a shower!)
- How many hours a day you study
- How many pages a week you read
- Any papers you have written recently
- Whom you would like to meet
- Who has good / terrible / no taste
- Who seems to you to be a jerk / bore / молоде́ц (е) / у́мница
- Something of note you did when you were 10-17 years old
- What you can't stand doing
- What kind of person you would like to marry
- What you are interested in
- Who does what chores at home
- Whose sense of humor you (dis)like
- Something you used to have, but no longer have
- What / whom you often think about
- Something you're not sure of
- Something you would like to buy for yourself
- Who is often polite / rude
- Something you did not know before you started studying at Princeton
- What you will do after this exam
